

November 23, 2022

To Granum School Parents/Guardians & Granum Community Members:

At the Livingstone Range School Division Regular Board Meeting held on November 14, 2022, Superintendent Darryl Seguin provided the Board of Trustees with information on the projected declining enrollment at Granum School. At the meeting, the Board of Trustees passed a motion to initiate a stakeholder engagement with the Granum School Community.

As part of this process, Livingstone Range School Division staff has put together information to be shared during the engagement session. Members of the Granum School Community including the public are invited to attend a meeting where further details and data will be presented and community members will have the opportunity to ask questions and provide their thoughts on the future viability of Granum School.

Community Meeting Date: Monday, December 12, 2022

Time: 6:00 PM

Format: In-person

Location: Granum School

Following this public engagement meeting, members of the public will have the opportunity to provide written submissions to the Board of Trustees for consideration. Written comments can be sent to hello@lrsd.ab.ca. In addition, individuals can contact their local [Trustee](#).

We look forward to meeting with the community on December 12, 2022.

Sincerely,

Lacey Poytress
Board Chair, Livingstone Range School Division

Every student, every day.
